

## CHRISTINE ROMEO

I guess it began with my mother's love for cats and the gene was passed down to me. I have always had a huge passion for cats and I never dreamed that one day I would be showing cats for just the pure joy of showing.

In 2009 I decided to join the Ottawa Valley Cat Club and I attended my first cat show that fall, hosted by the Ottawa Club. I became hooked and haven't stopped since.

I went out and purchased my very first pedigree cat, a Ragdoll named Lionsroyale Bo Soleil. Bo Soleil and I attended our first show on March 28, 2010 in Laval QC. Bo Soleil was four months and fortunately for me I had the club members holding my hand through the whole process. The sheer joy of seeing your cat or kitten doing well is beyond words to describe.

Bo Soleil is now a Premier in both CCA and CFA. He is presently taking a leave of absence from the show circuit for a period of time. He is totally enjoying his time of leisure basking in the sun and harassing my two domestics, Moxey and Savannah.

Presently, I am showing the latest addition to our "modeling family." A beautiful Maine Coon kitten named Jondelcoon Cherokee Dancer, aka "Rocky." Rocky's first show debut was on July 3rd at the 2011 Joliette Show in Quebec, and he was awarded "Best Kitten" in his first ring.
