

JADE LACHAPELLE LARABIE

My name is Jade, I'm 14 and I love the cat shows! Most think that it's just the cats that are great at the show but it's not. I love all kinds of different cats, and the great people who love cats, the breeders, and the public that come to enjoy their beauty. I got interested in cats from my Aunt and Uncle Lynn and Ben Seguin, the owners of the Dreamz cattery, and they take me with them all over to be with them at the shows. When you travel to the shows you see the same people from city to city and it is great as we are all like one big family sharing in our joy of our wins and seeing new babies coming to the shows. I have made many great friends and I look forward to seeing them every time at the next show.

The Ottawa Valley Cat Club was my first show and I love to help them out as much as they let me in all respects. I understand now why my Aunt and Uncle love the cat shows and are willing to travel so much. The club is full of many wonderful people as is the rest of the cat fancy and I thank my aunt and uncle for bringing me along with them and their wonderful Himalayans. Say hi to me when you see me at the shows! It will be great to see everyone! See you there!

Love Jade
