

## Kim Monkhouse

Kim lives in the rural community of Kemptville, just 30 minutes south of Ottawa with her husband and son. She has been an Ottawa Area Real Estate Agent for the past 6 years. She has always had a love of cats and purchased her first purebred cat in 2000. She then went on to found the Ottawa Valley Cat Club in 2001 and began rounding the Cat Show circuit. She bred Abyssinians for a few years and then found her passion in Egyptian Maus. She then bred Maus for a few years but then began her career in Real Estate and found it to be too hard on raising the kittens with the proper attention and care required, and gave up breeding. She continued with the Club and the shows and has been working towards becoming a Cat Show Judge.
